Treasury Department,

Bureau of the Mint,

Washington, D. C., July 1,1895.

Herman Kretz Esq.,

Superintendent, U. S. Mint,

Philadelphia, Pennsylvania.

Sir:-

Referring to our conversation on my visit to the Mint some days since, in reference to the old letters and records, what I desire to have done by Miss Ely is, that she will make an index of the letters by years, first giving the date, name and the subject. This could be done on loose sheets in pencil, and submitted to me, when I could check the letters of which I would like a copy for this office.

As to the details of this work, I place the same in your hands.

Respectfully yours,

R. O. Bosbyshell

Director of the Mint.
